To Members of the Illinois Juvenile Justice Commission:

Rev. Charles Collins
Freeport

Patricia Connell
Evanston

I will unfortunately be unable to attend the Illinois Juvenile Justice Commission meeting scheduled to be held February 10, 2009 in Chicago. As we have no standing Vice Chair to convene meetings in my absence, I hereby designate Wayne Straza to Chair the Commission meeting on February 10th. An order of business for the meeting is the election of a Vice Chair, after which the elected individual will chair the remainder of the meeting. When acting in the capacity of the Commission Chair, this newly elected Vice Chair will be vested with the same authority necessary to convene and facilitate full Commission and Executive Committee meetings, as well as other responsibilities inherent to the position.
